The Honorable
Sharpe James
Mayor -- City of Newark
Newark, New Jersey 07102

Dear Mayor:

Your recent letter to Robert Lutz, President of Chrysler Motors, with reference to the subject of auto theft has been referred to me for response.

We appreciate your concern regarding the problem. While your proposal has merit, we are working on various anti-theft techniques. In the meantime, there are a variety of alarm devices available on the aftermarket for those auto owners who want the device.

We want you to know that we are cognizant of the problem and are working on other means to curtail its impact. Thank you for taking the time to share your views with us.

Sincerely,
